MENAGERIES OF MATHEMATICS:
Strategies for Middle School Classrooms with Diverse Learners

If your classroom is rich in the diversity of students with a range of abilities, assets, and areas in need of growth, this workshop experience will provide resources, ideas, and support for effectively teaching mathematics in ways that are accessible to all students. Join us!!

Topics include:

- Operating within the Multi-tiered Systems of Support (MTSS)
- Differentiating tasks such as Tilted Squares and Equation Solving
- Implementing evidence-based instructional practices for mathematics understanding

When: Saturday, May 19, 8:30 a.m. to 4:00 p.m.
Where: Room 2151, Sorensen Arts and Education Building (SAEC)
University of Utah Campus
Instructors: Linda Sorenson, Ph.D. and Malynda Tolbert, M.Ed.
Credit: 0.5 AOEC credit or 7 license renewal points
Cost: $50.00 (lunch and materials provided)

Registration opens March 19, 2018.
