MENAGERIES OF MATHEMATICS: Strategies for Middle School Classrooms with Diverse Learners

If your classroom is a collection of students with widely varying sets of skills, experiences, and challenges, you need a well-stocked toolbox of strategies. Come refine old tools and build new ones to help make mathematics accessible to all.

Topics include:

- Operating within the Multi-tiered Systems of Support (MTSS)
- Differentiating tasks such as Tilted Squares and Equation Solving
- Implementing evidence-based instructional practices for mathematics understanding

When: Saturday, May 19, 8:30 a.m. to 4:00 p.m.
Where: Room 2151, Sorensen Arts and Education Building (SAEC), University of Utah
Instructors: Malynda Tolbert, M.Ed., Department of Special Education, Graduate Linda Sorensen, Ph.D., Urban Institute for Teacher Education, Instructor
Credit: 0.5 AOE credit or 7 license renewal points
Cost: $50.00 (lunch and materials provided)

Registration opens March 19, 2018.
Registration Link
Registration deadline: May 11, 2018 – Maximum: 30 participants
